

The best day in my life!

Dear diary,

Yesterday was the best day of my life! My dream was always to have a little puppy, but now ... I have it! Let me start from the beginning ... I was at school and I was soooooo tired. When I came home I saw my mother and my father holding a big box. I thought in the box was a laptop but when I opened it ... it was actually a little , cute , baby dog. I was very happy and I hugged my parents (of course). I didn't believe that, so I went to the bathroom to wash my face and then I went back. But again it was the little, cute, baby dog. I decided to call her Sally. Then, I told these epic news to my best friend , Christina so she came to my house to see Sally. Me, my friend and Sally played lots of games like ``catchball``. Christina named that game. It is called ``catchball`` because in the game you have to throw a ball and Sally has to catch it. She is very good at it. I love her very much! Now I have to go with Sally to the vet.

Bye Diary!
